Entries must be delivered by multi-state or multi-national postal or carrier service, including but not limited to USPS, FedEx, UPS, and DHL.

Entries not on official AKC agility entry forms or photocopies of entry forms without the agreement and rules on the reverse side of the official AKC agility entry form are invalid. In addition, entries will not be accepted without fees or signature. No entry shall be made and no entry shall be accepted which specifies any conditions as to its acceptance. Changes, additions, or corrections to entry forms must be received in writing prior to close of entries. Move-up must be made on or before Monday, September 4, 2023, 6:00 PM MDT.

Illegible or incomplete entries will not be processed and will be returned to the exhibitor. Entries not accompanied by the correct fees, or a postdated check do not constitute a valid entry. Incorrect entry fees of under \$10.00 will not be refunded. A returned check for insufficient funds will have \$35.00 collection fee added to the amount of each returned check. Subsequent returned checks from the same exhibitors may result in their future entries being put on a CASH ONLY basis.

Owners are responsible for any errors on entry forms regardless of who makes such errors. No entry fee will be returned in the event of such errors or cancellation of entries after published closing date. Duplicate entries will not be refunded if already processed.

A maximum of 10 entries per envelope is allowed. Envelopes with more than 10 entries and/or entries received prior to the opening date will be returned.

ACC is offering a waitlist to fill openings created by withdrawn entries after the trial's closing August 23, 2023, 5:00 pm MDT. A maximum of 25 entries will be placed on the club's waitlist. All entries, including waitlisted entries, must be received by the Trial Secretary prior to closing August 23, 2023, 5:00 pm MDT. Any entries withdrawn that are received by August 23, 2023, 5:00 pm MDT will be replaced by a first received waitlisted entry if any are available. If a withdrawn entry is replaced by a waitlisted entry, a full refund will be issued for the withdrawn entry. Any waitlisted entry that does not move off the waitlist into the trial by August 23, 2023, 5:00 pm MDT will receive a full refund.

Entry fees will not be refunded in the event that a dog is absent, disqualified, sick, lame, excused by veterinarian or judge, barred from competition by action of the Trial Committee, or because the dog is ineligible to compete due to being entered incorrectly. Female dogs that come into season after entries close and up to 30 min before the start of the trial, will receive a full refund of their entry fee minus a \$6.50 processing fee.

No entry fees will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, an act of God, public emergency, act of public enemy, or any other causes beyond the control of the club, trial committee or trial secretary.

American Chesapeake Club may decline any entries for cause and may refuse to receive, or may remove any dog on account of disease, viciousness, or other cause, and no one shall have any claim or recourse against ACC, the trial secretary, or any officials thereof.

Excellent/Master STD, JWW and T2B level classes may have split walk thru depending on entry numbers, walk/run, walk/run.

Warmup area, consisting of a regulation agility jump, will be provided for exhibitors. The warmup area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

Measuring and Height Card Information

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Simplified Jump Height Card Process

When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List.

Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible and neither are aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

After the close of entries, a dog, which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler, may be moved to the Novice "B" class. A request must be submitted to the trial secretary at least 30 minutes prior to the start of EACH trial and must state the reason and justification for the move. A dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial. (Chapter 1 Section 22)

January 1, 2020 Rule

Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day. Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed. Please

note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend. When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms. (Chapter 1, Section 21)

Fix and Go On (FNG) is a onetime option to fix a single obstacle. If the FNG option is used the dog will receive a NQ score. (Chapter 5, Section 8)

For Exhibition Only (FEO) will be allowed for FAST and T2B. (Chapter 4, Section 6) (Chapter 5, Section 7)

RIBBONS, AWARDS, AND PRIZES

Ribbons will be awarded in each jump height division in each class as follows:

First Place	Blue
Second Place	Red
Third Place	Yellow
Fourth Place	White
Qualifying Score	Dark Green

A New Title rosette will be awarded to all dog and handler teams finishing a title. A MACH rosette and MACH bar will be awarded to all dog and handler teams that attain their MACH. A PACH rosette and PACH bar will be awarded to all dog and handler teams that attain their PACH. Please let the trial secretary know if you are close to attaining your MACH or PACH when you send in your entry so we can celebrate with you.

NOTICE TO EXHIBITORS: SAFETY, BEHAVIOR, LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. American Chesapeake Club and its agents, employees, trial secretary, etc. will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. American Chesapeake Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against American Chesapeake Club, Trial Secretary, or any official thereof.

American Chesapeake Club will not be responsible for the loss of/or damage to any dog entered and exhibited, whether the result of accident or other cause. It is distinctly understood that every dog at this trial is under the care, custody, and control of its owner or handler at all times. American Chesapeake Club, Club officers, board members, and the Trial Secretary assume no responsibility for any loss, damage, or injury sustained by the exhibitors, their dogs, or property.

All dogs must be on leash at all times or otherwise confined when on trial/show grounds except when in the designated warmup area or competing on the course. (AKC leash restrictions March 2009, Utah leash law/code 6.16.080)). Trial grounds are defined as the entire public area of the Versa Dog Sports Center. Entry to the trial is on the long side of the building.

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
